Team Sponsorship Information

We are seeking team sponsorships for our disabled golfers to be paired with sponsor groups for 18 holes of golf at The Slammer & The Squire Golf Course. During this event, sponsors will play alongside world-ranked disabled athletes, gaining deeper understanding of how golf can be played at a high level despite a disability.

The funds raised during this event will support scholarships, golf equipment, clinics, and future disabled golf tournaments. These athletes travel without financial assistance, showcasing their skills and sharing powerful stories of inspiration and love for the sport.

We Can Golf 2 is a 501(c)(3) nonprofit based in northeast Florida. Our mission is simple, but the challenges and awareness we aim to raise are profound. We are confident that once you play alongside one of these incredible athletes, your life and perspective will be changed forever.

Each team sponsorship provides a \$2,000 tax-deductible donation to our nonprofit. The event schedule includes a clinic for local disabled athletes led by our competitors, followed by the Pro-Am event. We invite you to be a part of this transformative experience.

WGV Adaptive Championship Event Information

The World Golf Village Adaptive Championship will be held from May 27-29, 2025, in Saint Augustine, Florida. This meticulously planned event includes a charity fundraising tournament with local donors playing alongside top-ranked disabled golfers, a community clinic, and a 36-hole competition.

Through deliberate planning, every tournament detail—from logistical organization to volunteer management—is in place. The event promises an impactful experience, showcasing the talents of disabled athletes while cultivating a spirit of inclusivity. By drawing focus on the adaptive potentials in sports, our event bolsters community integration and supports growth.

We hope you can attend this exciting community event with us. Please feel free to contact me if you have any questions.
